You will receive notification via your nominated email account when the company registration has been reviewed and approved by WACHS.

When you receive the approval email, you can then forward the contractor registration link to your staff or subcontractors to complete their safety induction process: <https://www.onlineinduction.com/wachs/index.php>. This link also has a link to the Contractor Guide to help them through the process of completing their induction. Once your staff have completed their induction and it has been reviewed and approved by WACHS, they will receive an email with the induction certificate attached.

**Note:** Please submit your company registration as soon as possible, as the OCI system will archive your account after 28 days of no activity (if not approved). If you are contacted by a regional representative to provide further information or the system sends you a notification that your insurance documents have expired, please log into your account, update the requested sections and re-submit your registration as soon as possible. The company account status automatically changes to Expired when any of your insurances expire.

### **Monthly Contractor Status Reports (Coming soon)**

To keep you up to date, the system will email a monthly status report when one of your Contractors (staff or subcontractors) has their safety induction or National Police Clearance due to expire in the next three months or has already expired. Please note - once the Contractor is inducted in the system, their National Police Clearance expires 3 years after issue date. The Contractor is also required to repeat the safety induction every 3 years.

**If you have any issues or queries regarding the OCI the portal, please contact your WACHS Regional Maintenance Manager, local Nominated Officer or via email: [wachsoci@health.wa.gov.au](mailto:wachsoci@health.wa.gov.au)**
